ÖRINGSAFARI HJOÅN

Over the weekend of October 29th – 31st, we invite you to a weekend of fishing, fly tying, good food and a trout safari in the beautiful setting of Hökensås Sportsfiske.

The event is a collaboration between Ahrex Hooks and Hökensås Sportsfiske for those who want to learn more about fall fishing for rainbow trout, when it is at its best. We will fish several lakes, guided by local fly fishers, who know the area well.

There will also be an opportunity for an excursion to the local stream, Hjoån, where trout from the huge Lake Vättern migrate upstream to spawn.

Price for the weekend: 2500SEK. This includes accommodation in 4-man cabins, all meals from Friday evening to Sunday's lunch, fishing, all needed fly tying materials and the trout safari.

Limited to 20 participants.

To sign up, please contact Håkan Karsnäser at: håkan.karsnaser@outlook.com.
